
College Credit Plus

Chalker High School

2024/2025 School Year

What is College Credit Plus (CCP)?

- ❑ Allows students to earn college and high school credits at the same time by taking courses from Ohio colleges or universities.
 - ❑ The purpose of this program is to enhance students' career readiness and post-secondary success, while providing a wide variety of options to **college-ready students**, at no or limited costs to students and families
 - ❑ You may also travel to the college where you have been admitted or enroll in online courses offered by that college.
-

CCP details ...

- ❑ Students are permitted to take a maximum of 30 credits in one school year (between high school and college courses).
 - ❑ Must meet Chalker high school and athletic course eligibility requirements.
 - ❑ Students can take courses that substitute for high school graduation requirements.
 - ❑ CCP courses begin your college transcript and GPA. Every earned grade is a final grade to the college and the high school.
 - ❑ Students can apply to more than one college in one school year
-

CCP details ...

- ❑ Any student that drops a college course before the colleges drop date will remain in the course for high school credit.
 - ❑ If a CCP course is failed, the student/family must pay for the course. The failed grade goes on your transcript for high school and college.
 - ❑ If you wish to withdraw from a course and miss the drop date, you will be charged for the course and/or have a W/F on your transcript.
This is your responsibility.
 - ❑ Acceptance into college and course placement are different.
-

CCP details ...

- ❑ If taking classes at a Kent Trumbull campus, must meet with your high school counselor to review your courses. Must give a copy of your scheduled college classes to your school counselor.

**Do not change your college courses without meeting with your high school counselor first

Textbooks

- ❑ If you are taking a course on campus or online with a college, **you** will need to order your textbook.
 - ❑ Order from campus bookstore and have it billed to Chalker High School
 - ❑ Send Ms. U a copy of your order confirmation
-

CCP details

Admission to college **does not** guarantee placement in a course

- ❑ Must follow the colleges guidelines and **complete placement testing** (typically math and science courses) as needed prior to being scheduled in a course.
 - ❑ If a student does not meet the required testing score for a course, they will discuss alternative options with Ms. U
-

Will course credits transfer?

- ❑ Certain general education and technical courses will transfer, especially from one Ohio public college to another Ohio public college
 - ❑ Students must check with colleges to confirm transferability
 - ❑ Students should also visit <https://transfercredit.ohio.gov> for transfer information
-

CCP Risks

- ❑ Failing a course will remain on record, at high school and college level.
 - ❑ Failing a course or receiving WF will require payment from family. Credit will need to be made up if it is a graduation requirement.
 - ❑ College course grades are factored into high school GPA and college GPA.
-

CCP Risks

- ❑ CCP Probation/Dismissal
 - ❑ Students who receive a 2.0 GPA in courses at the end of a semester or school year will be placed on CCP Probation.
 - ❑ The following semester, student will have the opportunity to raise CCP GPA by taking a course in different content area.
 - ❑ Student will be dismissed from CCP if 2.0 or below GPA is earned again.
 - ❑ Every school district has an appeal process.
-

CCP Rewards

- ❑ Students can reduce overall costs of college education.
- ❑ Students can reduce the amount of time to complete a college degree.
- ❑ Students can gain valuable experience working with rigorous content and build upon skills for college success.
- ❑ Can allow for flexible schedule options

Am I ready for CCP?

What is a “college-ready” high school student?

- Student should be self advocate
 - Independently seek out help when needed. Colleges have tutoring services available
 - Mature Content
 - Content will not be modified for high school students
 - Responsible
 - Deadlines and required information is your responsibility to **turn in on time.**
 - Organization and study skills
 - check college emails often
 - Communicate clearly with professors/teachers
 - Time Management
 - Consider school vs work vs personal activities/hobbies
 - Meet and manage deadlines in courses- typically very minimal late work accepted
-
